

# **ALPHA HOUSE**

Alpha House is a registered charitable organization and a social service agency providing services to families in Winnipeg and throughout Manitoba.

Alpha House provides a 12 month residency with weekly individual and group counseling for both women and children. This includes family and parenting counseling, support with financial planning and job search assistance. Alpha House offers time to heal in a safe and supportive environment. When the time comes, we assist with the transition to affordable housing and reintegration into the community.
